HLTAID012 Provide First Aid in an education and care setting

This Provide First Aid in an education and care setting course provides the skills and knowledge required to provide a first aid response to infants, children and adults. This course is specifically designed for people working in the Education and Care sector.

Learning Outcomes

- ⇒ Respond to an emergency situation
- ⇒ Apply appropriate first aid procedures
- ⇒ Communicate details of the incident
- ⇒ Review the incident

Methods of Assessment:

- ⇒ Pre-course knowledge assessment
- ⇒ In-class practical assessments
- ⇒ Incident report writing

Recognition of Prior Learning (RPL):

- ⇒ Existing skills and knowledge, contact firstaid@ctas.wa.edu.au for more information about eligibility and assessment.

The Safe Work Australia First Aid in the Workplace Model Code of Practice requires employers to ensure that their nominated first aiders attend training on a regular basis to ensure currency.

The Code of Practice recommends that refresher training in CPR should be completed annually (12 months) and first aid qualifications should be renewed every three (3) years.

**You may be eligible for state funding if studying you are enrolled in an eligible traineeship. Eligibility applies.*
