

# School-Based Traineeships

CHC30121- Certificate III in Early Childhood Education and Care

## Are you interested in a career in Early Childhood Education and Care?

This nationally recognised qualification is specifically designed to prepare educators to support children in a regulated children's education and care service in Australia. This may be in an early learning centre, family day care, pre-schools or out of school hours care.

Early Childhood Education and Care is an in-demand industry, and this course will give you the skills and knowledge to confidently provide care to babies, toddlers and children while maintaining a safe and healthy environment.

## About Us

CTAS Education have been empowering educators in Western Australia since 2007 and specialise in workplace-based training and assessment.

**Our team of passionate, committed and highly experienced early childhood professionals will share their knowledge, skills, and experience through high quality personalised training.**

## Future Study Pathways

After successfully completing CHC30121 Certificate III in Early Childhood Education and Care, learners may choose to undertake further study pathways including the CHC50121 Diploma of Early Childhood Education and Care.

For more information or to discuss processes contact our, Client Support Coordinator, Jess
