

CHC50121 - Diploma of Early Childhood Education and Care

This nationally recognised qualification reflects the role of educators in early childhood education and care who work in regulated children's education and care services in Australia.

Educators at this level are responsible for designing and implementing curriculum that meets the requirements of an approved learning framework and for maintaining compliance in other areas of service operations.

They use specialised knowledge and analyse and apply theoretical concepts to diverse work situations. They may have responsibility for supervision of volunteers or other educators.

Early childhood educators may work in long day care centres, family day care, pre-schools or kindergartens.

ABOUT US

CTAS Education have been empowering educators in Western Australia since 2007 and specialise in workplace-based training and assessment.

Our team of passionate, committed and highly experienced early childhood professionals will share their knowledge, skills, and experience through high quality personalised training.
