Severe Financial Hardship

Students who find themselves to be in severe financial hardship may apply for a fee waiver for below diploma level courses only. A person is considered in severe financial hardship only where they are unable to provide food, accommodation, clothing, medical treatment, or other basic necessities for themselves and/or their dependants. Forms of entertainment or recreation are not basic necessities.

CTAS Education will assess each situation on a case-by-case basis, this will include a formal evidenced-based assessment of the student's capacity to pay the fees for the enrolment period and is based on the individual's financial incomings, outgoings, and financial status. Approved fee waivers will only apply to the course fee for the year in which they are approved. Exceptional circumstances withstanding, students will need to meet specific criteria to be considered for a fee waiver.

1. *The student must not exceed the Services Australia income thresholds for the low-income health care card as outlined below.*

Status	Weekly Income	Total Income in the 8-week period prior to applying
Single, no children	\$757	\$6,056
Couple combined, no children	\$1,295	\$10,360
Single, one dependent child	\$1,295	\$10,360
Couple combined, one child	\$1,329	\$10,632
For each additional child, add	\$34	\$272

2. *The student does not have the disposable income to pay the fees via instalments without compromising their ability to meet their basic living needs or those of their dependents.*
3. *There is no basis for concluding that the student's financial circumstances are likely to change within a reasonable time (e.g., 12 months)*

To apply for a fee waiver on the grounds of severe financial hardship, students will be required to contact the CTAS Student Services Manager (d.butt@ctas.wa.edu.au). Students will be required to complete an application and submit it along with a statutory declaration. CTAS will also require additional supporting evidence i.e., copies of payslips, health care card, bills or contracts and bank statements to determine the outcome of each application. Students enrolling into a Diploma or fee for service course will not be entitled to apply for fees to be waived due to financial hardship.

Direct Debit Payment Plan

CTAS Education offers flexible payment options to assist with the payment of qualifications. A request to pay invoices by instalments can be discussed with a CTAS representative upon enrolment. (Ezidebit fees may apply)

- An Ezidebit payment request form must be completed and submitted to CTAS Education for approval.
- Fees are charged and invoiced upon commencement of a unit.
- You can nominate the frequency and amount of the payments; however, the minimum payments are/or a variation of Cert III: \$50/fortnight, Diploma: \$150/fortnight. Lower minimums can be negotiated for those of concession rate.
- You will be invoiced monthly, which will reflect the units commenced that month.
- Direct debit will commence upon receiving your first invoice.
- Payments will only be taken for outstanding fees; no advance payments will be taken.
- Students who have fallen behind in payments may not be enrolled in additional units unless an appropriate agreement has been put in place to pay the amount outstanding.
- In the case that you have paid all outstanding fees before commencing a new unit, your payment plan will pause until you receive a new invoice.
- You will be given a minimum of eight weeks from commencing a unit to finalise a payment.

- Additional fees apply when your direct debit fails, please ensure you have the nominated payment amount ready.
- Enrolment in a unit is not complete until the fees and charges are paid, therefore a qualification or statement of attainment will not be issued until all outstanding payments have been made.
- **Ezidebit cannot be cancelled with outstanding fees owing.**

Refunds

Students must advise of withdrawal in writing to ensure that they are eligible for refunds.

As per the DTWD Fees and Charges Policy and individual's Consumer Rights, students are entitled to a full refund of fees and charges where:

There are NO other grounds for refunds.

Credit Transfers and RPL

Students are not charged for credit transfers. The transfer of credit provides the student with an exemption from relevant units within a course. Credit transfer does not involve an assessment of the student's knowledge or skills – it is an assessment of any prior credentials of formal accredited learning or qualifications presented.

Recognition of Prior Learning (RPL) involves the assessment of previously unrecognised skills and knowledge an individual has achieved outside the formal education and training system in respect of a specific unit. RPL is an assessment process that assesses the individual's non-formal and informal learning to determine the extent to which that individual has achieved these required learning outcomes or competency outcomes.

The fees for RPL are dependent on the timeframe of the training/assessment, the level of qualification and the number of units. Course fees will be worked out on a case-by-case basis. RPL unit are charges at the RPL rate stated on the table on page 3. For RPL students, the balance of their training costs must be paid in full prior to completion of the RPL process. Resource books are not included in RPL costs but can be purchased upon request.

Any person wanting their eligibility for RPL assessed prior to entering into a formal enrolment into a course (Traineeship or Fees for Service) can request an Initial RPL Evaluation appointment. After, the appointment the candidate will receive a quote for the cost of their enrolment should they wish to proceed.
